2022 was a year of expansion for NeighbourLink! Summer camps in the province opened again for overnight camping and thanks to the generosity of some local partners, we were able to pay for 53 local kids to attend week-long summer camps at Kenesserie and Adullam as well as some for day camp at Gregory Drive Alliance Church. Hoping to do this again in 2023!

Our 2022 Coldest Night of the Year fundraising walk was our best to date. With members of the public supporting our walk, we easily exceeded our stated goal. Local support is key to NeighbourLink's success in helping the less fortunate and there's no shortage of support in C-K!

New Ministry

Late in 2022, talks began to bring the Street Frenz ministry under the NeighbourLink umbrella. Street Frenz provides meals to unsheltered people and the group was looking for a charity to operate under. On January 1, 2023, Street Frenz became a program of NeighbourLink and we're all looking forward to working together to bless the disadvantaged in our community.
